

## DIRECTIONS

### Route

We are located in the heart of the Netherlands at the “De Reehorst” estate, directly adjacent to the Driebergen-Zeist train station and near the A12 highway (exit Driebergen-Zeist).

### Are you taking the train?

Get off at Driebergen-Zeist station. Cross the road to the station’s P&R parking structure and take a left onto the footpath. You will see Triodos Bank’s office building on your right.

You can easily plan your train journey [here](#). Note: due to the development of a new station, there are important moments to keep in mind while construction is ongoing. Take a look at the construction schedule [here](#).

### Are you driving?

As a visitor, you can park in Triodos Bank’s parking area (set your GPS to Hoofdstraat 26, Driebergen-Rijsenburg). If you let your host know your car’s licence plate number beforehand, the barrier will open automatically when you arrive\*. From the parking area, it is a four-minute walk to the building’s entrance. The parking area has 126 electric charging points.

If you have a disability, you may use one of our handicapped parking spaces in front of the main entrance. In that case, use the Triodos delivery entrance next to the Q-park parking structure (Stationsweg 3) and follow the road until you see the signs directing you towards the parking spaces.
