

18 November 2021

Explanation of the changes in the prospectus of Triodos Impact Strategies N.V.

Triodos Investment Management, the Fund Manager of Triodos Investment Strategies N.V. will launch ultimately on 31 January 2022, or at any earlier date decided by the Fund Manager, the following Sub-Funds:

- Triodos Impact Strategy Fund – Defensive
- Triodos Impact Strategy Fund – Balanced
- Triodos Impact Strategy Fund – Offensive
- Triodos Impact Strategy Fund – Dynamic

The overall objective of the Sub-Funds is to offer retail and professional investors access to a diversified portfolio of impact investments by investing primarily in Triodos investment funds. The amounts entrusted to the Sub-Funds will be used to finance companies and organisations working to build a sustainable future for individuals, the community and the environment. The Sub-Funds mentioned above are included in the updated prospectus.

Other adjustments

In addition to the adjustments above, the supplementary statement ('inlegvel') dated 10 March 2021, is incorporated in the updated prospectus. The supplementary statement contains the information Triodos Impact Strategies N.V. has to disclose following the European regulation on sustainability-related disclosures (SFDR) as per 10 March 2021.

The updated prospectus will replace the current prospectus dated 01 November 2020 and the supplementary statement dated 10 March 2021 as of 18 November 2021. The updated prospectus can be found in the [documents section](#).
